**NATIONAL BEVERAGE CORP.
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)**

National Beverage Corp. develops, produces, markets and sells a distinctive portfolio of sparkling waters, juices, energy drinks and carbonated soft drinks primarily in the United States and Canada. Incorporated in Delaware in 1985, National Beverage Corp. is a holding company for various operating subsidiaries. When used in this report, the terms “we,” “us,” “our,” “Company” and “National Beverage” mean National Beverage Corp. and its subsidiaries.

1. SIGNIFICANT ACCOUNTING POLICIES AND RECENTLY ADOPTED ACCOUNTING PRONOUNCEMENT

Basis of Presentation

The condensed consolidated financial statements include the accounts of National Beverage Corp. and its subsidiaries. Significant intercompany transactions and accounts have been eliminated.

The accompanying interim unaudited condensed consolidated financial statements have been prepared in accordance with United States generally accepted accounting principles (“GAAP”) and rules and regulations of the Securities and Exchange Commission for interim financial reporting. Accordingly, they do not include all information and notes presented in the annual consolidated financial statements. The condensed consolidated financial statements should be read in conjunction with the annual consolidated financial statements and accompanying notes included in our Annual Report on Form 10-K for the fiscal year ended May 2, 2020. The accounting policies used in these interim unaudited condensed consolidated financial statements are consistent with those used in the annual consolidated financial statements.

The preparation of financial statements requires management to make estimates and assumptions that affect the amounts reported in the interim unaudited condensed consolidated financial statements and accompanying notes. Actual results could differ from those estimates. In our opinion, all adjustments (consisting of normal recurring adjustments) considered necessary for a fair presentation have been included. Results for the interim periods presented are not necessarily indicative of results which might be expected for the entire fiscal year.

Reclassification

Certain reclassifications have been made to prior period balances in order to conform to the current period's presentation.

Inventories

Inventories are stated at the lower of first-in, first-out cost or net realizable value. Inventories at October 31, 2020 were comprised of finished goods of \$41.7 million and raw materials of \$27.1 million. Inventories at May 2, 2020 were comprised of finished goods of \$39.1 million and raw materials of \$24.4 million.

Marketing Costs

The Company utilizes a variety of marketing programs, including cooperative advertising programs with customers, to advertise and promote its products to consumers. Marketing costs are expensed when incurred, except for prepaid advertising and production costs which are expensed when the advertising takes place. Marketing costs, which are included in selling, general and administrative expenses, totaled \$10.0 million for the three months ended October 31, 2020 and \$13.6 million for the three months ended October 26, 2019. Marketing costs totaled \$19.9 million for the six months ended October 31, 2020, and \$28.7 million for the six months ended October 26, 2019.

Shipping and Handling Costs

Shipping and handling costs are reported in selling, general and administrative expenses in the accompanying condensed consolidated statements of income. Such costs totaled \$18.5 million for the three months ended October 31, 2020 and \$18.3 million for the three months ended October 26, 2019. Shipping and handling costs totaled \$37.9 million for the six months ended October 31, 2020 and \$36.4 million for the six months ended October 26, 2019. Although our classification is consistent with many beverage companies, our gross margin may not be comparable to companies that include shipping and handling costs in cost of sales.

Summary of Significant Accounting Policies

There have been no significant changes in the Company's significant accounting policies during the six months ended October 31, 2020, compared to the significant accounting policies in our Annual Report on Form 10-K for the fiscal year ended May 2, 2020.

Recent Accounting Pronouncement

On December 18, 2019, the Financial Accounting Standards Board issued Accounting Standards Update, "Simplifying the Accounting for Income Taxes" (ASU 2019-12). The new standard reduces the complexity pertaining to certain areas in accounting for income taxes. Key elements include, but are not limited to, the elimination of certain exceptions related to the approach for intra-period tax allocation, the methodology for calculating taxes during the quarters and the recognition of deferred tax liabilities for outside basis differences. This guidance also simplifies aspects of the accounting for franchise taxes and changes in tax laws or rates, as well as clarifies the accounting for transactions that result in a step-up in the tax basis of goodwill. ASU 2019-12 is effective for the Company's first quarter of fiscal year 2022. The Company is in the process of evaluating the impact of the adoption of this new standard on its consolidated financial statements.

2. PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment consist of the following:

	(In thousands)	
	October 31, 2020	May 2, 2020
Land	\$ 9,835	\$ 9,835
Buildings and improvements	60,584	59,618

Less accumulated depreciation	(194,284)	(187,126)
Property, plant and equipment – net	<u>\$ 123,478</u>	<u>\$ 120,627</u>

Depreciation expense was \$3.7 million for the three months ended October 31, 2020 and \$3.8 million for the three months ended October 26, 2019. Depreciation expense totaled \$7.5 million for the six months ended October 31, 2020 and \$7.6 million for the six months ended October 26, 2019.

3. DEBT

At October 31, 2020, a subsidiary of the Company maintained unsecured revolving credit facilities with banks aggregating \$100 million (the “Credit Facilities”). The Credit Facilities expire from October 28, 2022 to April 30, 2023 and any borrowings would currently bear interest at 1.0% above one-month LIBOR. There were no borrowings outstanding under the Credit Facilities at October 31, 2020 or May 2, 2020. At October 31, 2020, \$3.4 million of the Credit Facilities was reserved for standby letters of credit and \$96.6 million was available for borrowings.

The Credit Facilities require the subsidiary to maintain certain financial ratios, including debt to net worth and debt to EBITDA (as defined in the Credit Facilities), and contain other restrictions, none of which are expected to have a material effect on our operations or financial position. At October 31, 2020, we were in compliance with all loan covenants.

4. STOCK-BASED COMPENSATION

During the six months ended October 31, 2020, options to purchase 131,750 shares were granted, options to purchase 29,000 shares were exercised and options to purchase 7,500 shares were cancelled at weighted average exercise prices of \$46.94, \$13.90 and \$5.67 respectively. At October 31, 2020, options to purchase 289,795 shares at a weighted average exercise price of \$28.98 per share were outstanding and stock-based awards to purchase 2,676,802 shares of common stock were available for grant.

5. DERIVATIVE FINANCIAL INSTRUMENTS

From time to time, we enter into aluminum swap contracts to partially mitigate our exposure to changes in the cost of aluminum cans. Such financial instruments are designated and accounted for as cash flow hedges. Accordingly, gains or losses attributable to the effective portion of the cash flow hedges are reported in accumulated other comprehensive income (loss) (“AOCI”) and reclassified into cost of sales in the period in which the hedged transaction affects earnings. The ineffective portion of the change in fair value of our cash flow hedges was immaterial. The following summarizes the gains (losses) recognized in the Condensed Consolidated Statements of Income and AOCI :

	(In thousands)			
	Three Months Ended		Six Months Ended	
	2020	2019	2020	2019
Recognized in AOCI:				
Gain (loss) before income taxes	\$ 2,131	\$ (619)	\$ 7,211	\$ (2,043)

Net	<u>1,621</u>	<u>(471)</u>	<u>5,486</u>	<u>(1,554)</u>
Reclassified from AOCI to cost of sales:				
(Loss) before income taxes	(12)	(1,170)	(1,844)	(2,614)
Less income tax (benefit)	(3)	(280)	(441)	(625)

Net change to AOCI	<u>\$ 1,630</u>	<u>\$ 419</u>	<u>\$ 6,889</u>	<u>\$ 435</u>

As of October 31, 2020, the notional amount of our outstanding aluminum swap contracts was \$26.1 million and, assuming no change in commodity prices, \$2.2 of unrealized gain before tax will be reclassified from AOCI and recognized in earnings over the next 12 months.

As of October 31, 2020, the fair value of the derivative asset was \$2.2 million, which was included as a component of prepaid and other assets. At May 2, 2020, the fair value of the derivative liability was \$6.9 million, which was included as a component of accrued liabilities. Such valuation does not entail a significant amount of judgment and the inputs that are significant to the fair value measurement are Level 2 as defined by the fair value hierarchy as they are observable market based inputs or unobservable inputs that are corroborated by market data.

6. LEASES

The Company has entered into various non-cancelable operating lease agreements for certain of our offices, buildings, machinery and equipment expiring at various dates through January 2029. The Company does not assume renewals in the determination of the lease term unless the renewals are deemed to be reasonably assured at lease commencement. Lease agreements generally do not contain material residual value guarantees or material restrictive covenants. Operating lease cost for the three months ended October 31, 2020 and October 26, 2019 was \$3.5 million and \$3.4 million, respectively. Operating lease cost totaled \$7.3 million for the six months ended October 31, 2020 and \$6.7 million for the six months ended October 26, 2019. As of October 31, 2020, the weighted-average remaining lease term and weighted average discount rate of operating leases was 4.1 years and 3.1%, respectively. As of May 2, 2020, the weighted-average remaining lease term and weighted average discount rate of operating leases was 4.3 years and 3.38%, respectively. Cash payments were \$3.5 million and \$3.7 million, respectively, for operating leases for the three months ended October 31, 2020 and October 26, 2019. Cash payments totaled \$7.0 million for the six months ended October 31, 2020 and \$7.5 million for the six months ended October 26, 2019.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

OVERVIEW

National Beverage Corp. innovatively refreshes America with a distinctive portfolio of sparkling waters, juices, energy drinks (Power+ Brands) and, to a lesser extent, Carbonated Soft Drinks. We believe our creative product designs, innovative packaging and imaginative flavors, along with our corporate culture and philosophy, make National Beverage unique as a stand-alone entity in the beverage industry.

Our strategy seeks the profitable growth of our products by (i) developing healthier beverages in response to the global shift in consumer buying habits and tailoring our beverage portfolio to the preferences of a diverse mix of 'crossover consumers' – a growing group desiring a healthier alternative to artificially sweetened and high-caloric beverages; (ii) emphasizing unique flavor development and variety throughout our brands that appeal to multiple demographic groups; (iii) maintaining points of difference through innovative marketing, packaging and consumer engagement and (iv) responding faster and more creatively to changing consumer trends than larger competitors who are burdened by legacy production and distribution complexity and costs.

The majority of our brands are geared to the active and health-conscious consumer including sparkling waters, energy drinks, and juices. Our portfolio of Power+ Brands includes LaCroix®, LaCroix Cúrate®, and LaCroix NiCola® sparkling water products; Clear Fruit® non-carbonated water beverages enhanced with fruit flavor; Rip It® energy drinks and shots; and Everfresh®, Everfresh Premier Varietals™ and Mr. Pure® 100% juice and juice-based products. Additionally, we produce and distribute carbonated soft drinks including Shasta® and Faygo®, iconic brands whose consumer loyalty spans more than 130 years.

Presently, our primary market focus is the United States and Canada. Certain of our products are also distributed on a limited basis in other countries and options to expand distribution to other regions are being considered. To service a diverse customer base that includes numerous national retailers, as well as thousands of smaller “up-and-down-the-street” accounts, we utilize a hybrid distribution system consisting of warehouse and direct-store delivery. The warehouse delivery system allows our retail partners to further maximize their assets by utilizing their ability to pick up product at our warehouses, further lowering their/our product costs.

Our operating results are affected by numerous factors, including fluctuations in the costs of raw materials, holiday and seasonal programming, changes in consumer purchasing habits and weather conditions. Beverage sales are seasonal with higher sales volume realized during the summer months when outdoor activities are more prevalent.

Our highly innovative business, where new beverages are developed and produced for selective holidays and ceremonial dates, should not be analyzed on the common three-month (quarterly) periods, traditionally found acceptable. Today, costly development projects and seasonal weather periods, plus promotional packaging, can distort quarter-to-quarter statistics and result in decision making that is not truly beneficial for investors and shareholders alike.

Traditional and typical are not a part of an innovator's vocabulary.

RESULTS OF OPERATIONS

Three Months Ended October 31, 2020 (second quarter of fiscal 2021) compared to
Three Months Ended October 26, 2019 (second quarter of fiscal 2020)

Net sales for the second quarter of fiscal 2021 increased 8.0% to \$271.8 million from \$251.6 million for the second quarter of fiscal 2020. The increase in sales resulted primarily from a 7.4% increase in case volume. The volume increase includes a 11.1% increase of our Power+ Brands primarily attributable to increased consumer demand in the take-home channel. Average selling price per case increased slightly.

Gross profit for the second quarter of fiscal 2021 increased to \$108.0 million from \$92.8 million for the second quarter of fiscal 2020. The increase in gross profit is due to increased volume and reduced raw material costs. The cost of sales per case decreased 3.5% and gross margin increased to 39.8% from 36.9% for the second quarter of fiscal 2020.

Selling, general and administrative expenses for the second quarter of fiscal 2021 decreased \$4.7 million to \$46.5 million from \$51.2 million for the second quarter of fiscal 2020. The decrease was primarily due to reduced marketing and selling costs. As a percent of net sales, selling, general and administrative expenses decreased to 17.1% from 20.3% for the second quarter of fiscal 2020.

Other income includes interest income of \$112,000 for the second quarter of fiscal 2021 and \$1.0 million for the second quarter of fiscal 2020. The decrease in interest income is due to lower return on investments.

The Company's effective income tax rate, based upon estimated annual income tax rates, was 23.5% for the second quarter of fiscal 2021 and fiscal 2020. The difference between the effective rate and the federal statutory rate of 21% was primarily due to the effects of state income taxes.

LIQUIDITY AND FINANCIAL CONDITION

Liquidity and Capital Resources

Our principal source of funds is cash generated from operations. At October 31, 2020, we maintained \$100 million unsecured revolving credit facilities, under which no borrowings were outstanding and \$3.4 million was reserved for standby letters of credit. We believe existing capital resources will be sufficient to meet our liquidity and capital requirements for the next twelve months.

On November 24, 2020, the Company declared a cash dividend of \$3.00 per share payable to shareholders of record on December 4, 2020. On December 2, 2020, the cash dividend was increased to \$6.00 per share, approximately \$280 million in the aggregate, which will be paid on or before February 2, 2021.

Cash Flows

The Company's cash position increased \$100.9 million for the six months of fiscal 2021, which compares to an increase of \$77.7 million for the six months of fiscal 2020.

Net cash provided by operating activities for the first six months of fiscal 2021 amounted to \$110.9 million compared to \$87.2 million for the six months of fiscal 2020. For the first six months of fiscal 2021, cash flow was principally provided by net income of \$98.3 million, depreciation and amortization of \$9.2 million, and amortization of operating right of use assets of \$6.6 million, offset in part by changes in working capital and other accounts.

Net cash used in investing activities for the first six months of fiscal 2021 reflects capital expenditures of \$10.4 million, compared to capital expenditures of \$9.6 million for the first six months of fiscal 2020. We intend to continue production capacity and efficiency improvement projects in fiscal 2021, and expect capital expenditures to be comparable to total fiscal 2020 levels.

Financial Position

At October 31, 2020, our working capital increased to \$425.3 million from \$319.0 million at May 2, 2020. The current ratio was 4.0 to 1 at October 31, 2020 compared to 3.3 to 1 at May 2, 2020. The \$106.3 million increase in working capital was primarily due to higher cash and inventory, partially offset by higher accounts payable and accrued liabilities. Trade receivables decreased \$2.1 million and days sales outstanding decreased from 32.2 to 27.7. Inventories increased \$5.3 million and inventory turns improved to 9.4 times from 8.4 times.

3.2 Guaranty. Payment of the Revolving Credit Note, any other obligations under this Agreement or the other Loan Documents, presently existing or hereafter arising, shall be guaranteed by each of the Restricted Subsidiaries as set forth in the Continuing and Unconditional Guaranty dated as of the date hereof executed by each Restricted Subsidiary (the “Guaranty”). In the event of the designation of any additional Restricted Subsidiaries, a joinder agreement in the form attached hereto as Exhibit “C” shall be executed and delivered to the Bank by each such additional Restricted Subsidiary (also, a “Guaranty”), together with such supporting attorney's opinion, if requested by Lender, evidence of corporate authorization, and other instruments and documents as the Bank may reasonably request.

SECTION 4. REPRESENTATIONS AND WARRANTIES.

To induce the Bank to enter into this Agreement and to establish the Revolving Credit and make the Advances and issue the Letters of Credit, the Borrower represents and warrants to the Bank as follows:

4.1 Corporate Existence; Power; Compliance with Law; Restricted Subsidiaries; Name History. Each of the Borrower and the Restricted Subsidiaries is an entity duly incorporated or organized, validly existing, and in good standing under the laws of the jurisdiction of its incorporation or organization. Each of the Borrower and the Restricted Subsidiaries has all requisite power and authority (corporate and otherwise) to own and operate its properties and to carry on its business as now being conducted, is duly qualified as a foreign entity to do business and is good standing in every jurisdiction in which the failure to so qualify is reasonably likely to materially adversely affect the business, earnings, prospects, properties, or condition (financial or otherwise) of the Borrower and its Restricted Subsidiaries, taken as a whole. Each of the Borrower and the Restricted Subsidiaries has all licenses and permits necessary to carry on and conduct its business in all states and localities wherein it now operates and is in compliance with all other requirements of law, rule, or regulation applicable to it and to its business, if the failure to possess such licenses and permits or to so comply, either individually or in the aggregate, is reasonably likely to materially adversely affect the business, earnings, properties, or condition (financial or otherwise) of the Borrower and the Restricted Subsidiaries, taken as a whole.

The Borrower is a Subsidiary of the Parent. All of the Subsidiaries of the Borrower are listed on Schedule 1.1.B hereto. None of the Borrower or the Restricted Subsidiaries have merged, changed its name, or done business under a fictitious name during the past five (5) years, except as set forth in Schedule 1.1.B hereto.

4.2 Capital Stock; Parent; Subsidiaries.

(a) The authorized capital stock of the Borrower consists of One Thousand (1,000) shares of common stock, par value \$0.01 per share, which is voting stock and is vested with all the voting rights in the Borrower, of which One Hundred (100) shares are issued and outstanding, and One Thousand (1,000) shares of preferred stock, par value \$0.01 per share, of which no shares are issued or outstanding. All such outstanding shares have been duly authorized, validly issued and are fully paid, nonassessable and free of preemptive rights. No shares of common stock are held in the treasury of the Borrower. There are no subscriptions, options, warrants, or calls relating to the issuance by the Borrower of any shares of common stock, including any right of conversion or exchange under any outstanding security or other instrument. There are no voting trusts or other agreements or understandings with respect to the voting of the common stock of the Borrower. The Borrower is not subject to any obligation (contingent or otherwise) to repurchase or otherwise acquire or retire any shares of its common stock or any security convertible into or exchangeable for any of its common stock. All of the outstanding shares of common stock of the Borrower are owned beneficially and of record by the Parent.

(b) The authorized capital stock of the Parent consists of Two Hundred Million (200,000,000) shares of common stock, par value \$0.01 per share, which is voting stock and, is vested with all the voting rights in the Parent, of which Fifty Million Eight Hundred Seventeen Thousand One Hundred Eighty Four (50,817,184) shares are issued and Forty Six Million Six Hundred Thirty Thousand One Hundred Twenty Eight (46,631,128) shares are outstanding, and One Million (1,000,000) shares of preferred stock, par value \$1.00 per share, of which One Hundred Fifty Thousand (150,000) shares are issued and none are outstanding.

(c) The only significant Subsidiaries of the Borrower, as defined in Rule 1-02 of Regulation S-X under the Securities Exchange Act of 1934, are as listed in Schedule 1.1.B hereto. Schedule 1.1.B correctly sets forth as to each such Subsidiary its name, the jurisdiction of its incorporation if a corporation, or the jurisdiction of its formation if a partnership, whether such Subsidiary is a Restricted Subsidiary, the jurisdiction of its principal place of business, the address of its principal place of business, chief executive office, and the office where all books and records are kept, if different, the name of its parent company, the number of authorized shares, and the number of outstanding shares of each class of capital stock of such Subsidiary, and the number of such outstanding shares owned by the Borrower or other parent company. All of the outstanding shares of capital stock of each class of each Subsidiary have been validly issued and are fully paid and nonassessable. The Borrower owns beneficially and of record all of the outstanding shares of capital stock of each Subsidiary indicated as being owned by it on Schedule 1.1.B hereto, free and clear of any Liens.

4.3 Corporate Power and Authorization to Execute Loan Documents; No Conflict; No Consent. Each of the Parent, Borrower and the Restricted Subsidiaries has the corporate or limited liability company power and authority and the legal right to execute and deliver the Loan Documents to be executed by it and to perform its obligations thereunder, and has taken all corporate action necessary to authorize the execution, delivery, and performance of such Loan Documents and to authorize the transactions contemplated thereby. The execution, delivery, and performance by the Parent, the Borrower or the Restricted Subsidiaries of the Loan Documents to be executed by it will not contravene, conflict with, result in the breach of, or constitute a violation of or default under, or result in the creation of any lien, charge, or encumbrance upon any property or assets of such Person, pursuant to the constituent documents or other governing instruments of such Person, or any applicable law, rule, regulation, judgment, order, writ, injunction, or decree or any indenture or other agreement or instrument to which the Borrower, the Parent or a Restricted Subsidiary is a party, or by which such Person or its property may be bound or affected which has a material adverse effect on the business earnings, prospects, properties, or conditions (financial or otherwise) of the Borrower and the Restricted Subsidiaries taken as a whole. No consent, license, or authorization of, or filing with, or notice to, any Person or entity (including, without limitation, any governmental authority), is necessary or required in connection with the execution, delivery, performance, validity, or enforceability of the Loan Documents and the transactions as contemplated thereunder, except for consents, licenses, authorizations, filings, and notices obtained or performed by the Borrower or any Restricted Subsidiary and of which the Bank has been provided written notice, or referred to or disclosed in the Loan Documents. Any such consents, licenses, authorizations, filings, or notices remain in full force and effect.

4.4 Enforceable Obligations. The Loan Documents constitute legal, valid, and binding agreements enforceable against the respective parties thereto and any property described therein in accordance with their respective terms, except as such enforceability may be limited by (i) bankruptcy, insolvency, reorganization, arrangement, moratorium, or other laws relating to or affecting the rights of creditors generally and (ii) general principles of equity, regardless of whether enforcement is considered in proceedings at law or in equity.

4.5 Financial Condition.

(a) The consolidated financial statements of the Borrower as of August 1, 2020 and the consolidated financial statements of the Parent as of August 1, 2020, copies of which have been furnished to the Bank, fairly present the financial condition of the Borrower and its Subsidiaries and the Parent, respectively, as at the date of the financial statements, and fairly present the results of the operations of the Borrower and its Subsidiaries and the Parent for the period covered thereby.

(b) Neither the Borrower, nor any of the Restricted Subsidiaries, has any direct or contingent liabilities, liabilities for taxes, long-term leases, or unusual forward or long-term commitments as of the date of this Agreement which, either individually or in the aggregate, are or are reasonably likely to be material to the Borrower and the Restricted Subsidiaries, which are not disclosed by provided for, or reserved against in the foregoing financial statements or referred to in notes thereto, other than liabilities incurred since August 1, 2020 in the ordinary course of business which in the aggregate have no material adverse effect on the Borrower and the Restricted Subsidiaries, taken as a whole, or on the conduct of the business of the Borrower and the Restricted Subsidiaries, taken as a whole. The Borrower does not know of any basis for any material unrealized or anticipated losses of the Borrower. The financial statements furnished to the Bank have been prepared in accordance with GAAP maintained throughout the period involved. There has been no material adverse change in the business, earnings, prospects, properties, or condition, financial or otherwise, of the Borrower and the Restricted Subsidiaries, taken as a whole, since the date of such financial statements.

4.6 No Litigation. Except as set forth in Schedule 4.6 hereto, there is no suit or proceeding at law or in equity or other proceeding or investigation (including proceedings by or before any court, arbitrator, governmental or administrative commission, board or bureau, or other administrative agency) pending, or to the best knowledge of the Borrower threatened, by or against or involving the Parent, the Borrower, or any Subsidiary, or against any of their respective properties, existence, or revenues which, individually or in the aggregate, (a) if adversely determined, is reasonably likely to have a material adverse effect on the properties, assets, or business, or on the condition, financial or otherwise, of the Borrower and the Restricted Subsidiaries, taken as a whole, (b) materially impair the right or ability of the Borrower and the Restricted Subsidiaries, taken as a whole, to carry on their operations substantially as now conducted or as anticipated to be conducted in the future, (c) which would substantially impair the ability of the Borrower to perform its obligations under the Loan Documents, or, regardless of outcome, which questions the validity of the transactions contemplated by the Loan Documents, or (d) regardless of outcome, which would be required to be disclosed in notes to any balance sheet as of the date hereof of the Borrower prepared in reasonable detail in accordance with GAAP.

4.7 Investment Company Act; Regulation.

(a) Neither the Borrower nor any of its Subsidiaries is an “investment company” or an “affiliated person” of an “investment company,” or a company “controlled” by an “investment company,” and neither the Borrower nor any of its Subsidiaries is an “investment advisor” or an affiliated person” of an “investment advisor,” and as each of the quoted terms is defined or used in the Investment Company Act of 1940, as amended.

(b) Neither the Borrower nor any of its Subsidiaries is subject to regulation under any state or local public utilities code or any federal, state, or local statute or regulation limiting its ability to incur Indebtedness for Money Borrowed or to pledge assets of the type contemplated hereunder.

4.8 Disclosure and No Untrue Statements. No representation or warranty made by the Borrower in the Loan Documents or which will be made by the Borrower from time to time in connection with the Loan Documents (a) contains or will contain any misrepresentation or untrue statement of any material fact, or (b) omits or will omit to state any material fact necessary to make the statements therein not misleading. There is no fact (excluding information relating to world or national economic, social, or political conditions generally) known to any Responsible Officer of Borrower which materially adversely affects, or which would in the future materially adversely affect, the business, assets, properties, or condition, financial or otherwise, of the Borrower and the Restricted Subsidiaries, taken as a whole, or materially affects, or which might in the future materially adversely affect, the ability of the Borrower and the Restricted Subsidiaries to perform their obligations under the Loan Documents, or except as set forth or referred to in the Loan Documents or otherwise disclosed in writing to the Bank.

4.9 Title to Assets; Leases in Good Standing.

(a) Each of the Borrower and the Restricted Subsidiaries has good and valid title (or, with respect to interests as lessee or otherwise, its equivalent under applicable law) to properties and assets purported to be owned (or leased) by it that are material to the conduct of the business of the Borrower and the Restricted Subsidiaries, taken as a whole, and including properties and assets reflected in the financial statements and notes thereto described in Section 4.5 hereof, except for such assets as have been disposed of in the ordinary course of business. All such properties and assets are subject to no Liens, other than Permitted Liens. Schedule 1.1.A accurately lists (i) each financing statement, deed, agreement, or other instrument in effect on the date hereof which has been filed, recorded, or registered pursuant to any United States federal, state, or local law or regulation that names the Borrower or any of the Restricted Subsidiaries as debtor or lessee or as the grantor or the transferor of the interest created thereby, and (ii) as to each such financing statement, deed, agreement, or other instrument, the names of the debtor, lessee, grantor, or transferor and the secured party, lessor, grantee, or transferee and the name of the jurisdiction in which such financing statement, deed, agreement or other instrument has been filed, recorded, or registered. Except as contemplated hereby, and pursuant to the Comerica Loan Agreement, neither the Borrower nor any of the Restricted Subsidiaries has signed any agreement or instrument in effect on the date hereof authorizing any secured party thereunder to file any such financing statement, deed, agreement, or other instrument (other than any such agreement or instrument relating to the Liens permitted under paragraph (d) or (f) of the definition of Permitted Liens).

(b) Each of the Borrower and its Restricted Subsidiaries has the right to, and does, enjoy peaceful and undisturbed possession under all leases under which it is leasing property that are material to the conduct of the business of the Borrower and its Restricted Subsidiaries, taken as a whole. All such leases are valid, subsisting and in full force and effect, subject only to Permitted Liens, and neither the Borrower nor any of its Restricted subsidiaries in default in the performance, observance, or fulfillment of any obligation under any provision of any such lease, which default is reasonably likely to result in a termination of such lease or have a material adverse effect on the Borrower and its Restricted Subsidiaries, taken as a whole. No Responsible Officer has received any written notice that any other party to any such lease is in default under any such lease.

4.10 Investments. As of the date hereof, the Borrower and the Restricted Subsidiaries do not own any Investments other than Permitted Investments of the types described in clauses (a)-(e) of the definition of such term in Section 1.1 hereof and other than the Investments listed in Schedule 1.1.C hereto, which Item correctly sets forth the amounts (determined as provided in the definition of “Investments” in Section 1.1) of the Investments listed thereon.

4.11 Payment of Taxes. Each of the Borrower, and the Subsidiaries has filed or caused to be filed all, federal, state, and local tax returns which are required to be filed by it and has paid or caused to be paid all taxes as shown on said returns or on any assessment received by it, to the extent that such taxes have become due, other than taxes being contested in good faith by appropriate proceedings diligently conducted and for which adequate reserves have been established in accordance with GAAP. No controversy in respect of additional taxes of the Parent, the Borrower or any Subsidiary is pending, or, to the knowledge of the Borrower, threatened, except as shown on the Borrower's financial statements described in Section 4.5 hereof or in notes thereto, and other than amounts in respect of business carried on by the Borrower, and the Subsidiaries in the ordinary course since the date of such financial statements, and other than amounts which, either individually or in the aggregate, do not materially and adversely affect, and are not likely to materially and adversely affect, the business, earnings, prospects, properties, or condition (financial or otherwise) of the Borrower and the Restricted Subsidiaries, taken as a whole.

The ability of the Borrower or any of its Restricted Subsidiaries to declare, make, or pay dividends in respect of any shares of its common stock is not expressly limited by the provisions of any agreement or instrument other than the Comerica Loan Agreement. Each of the Borrower and the Restricted Subsidiaries is in full compliance with and is not in default in the performance, observance, or fulfillment of any obligations, covenants, or conditions contained in any agreement or instrument to which it is a party, other than any defaults which individually or in the aggregate are not reasonably likely to materially adversely affect the business, earnings, prospects, properties, or condition (financial or otherwise) of the Borrower and the Restricted Subsidiaries, taken as a whole.

4.13 Patents, Trademarks, Licenses, Etc. Each of the Borrower and the Restricted Subsidiaries owns, possesses, or has the right to use, and holds free from burdensome restrictions or known conflicts with the rights of others, all patents, patent rights, licenses, trademarks, trademark rights, trade names, trade name rights, and copyrights, and all rights with respect to the foregoing, necessary to conduct their respective businesses as now being conducted, and is in full compliance with the terms and conditions, if any, of all such patents, patent rights, licenses, trademarks, trademark rights, trade names, trade name rights, or copyrights and the terms and conditions of any agreements relating thereto, except for such conflicts or noncompliance which, either individually or in the aggregate, do not materially and adversely affect the business, earnings, prospects, properties, or condition (financial or otherwise) of the Borrower and the Restricted Subsidiaries, taken as a whole. Further, each of the Restricted Subsidiaries and the Borrower agree that they shall not transfer any and all patents, patent rights, licenses, trademarks, trademark rights, trade name, trade name rights and copyrights and all rights to the foregoing presently held by Borrower or any Restricted Subsidiary to any Person or entity including the Parent, however, transfers between (a) Borrower and the Restricted Subsidiaries; (b) Restricted Subsidiaries; and (c) Restricted Subsidiaries and Borrower shall be permitted.

(b) Each Plan (other than a Multiemployer Plan) is in compliance in all material respects with applicable provisions of ERISA and the Code. Each of the Borrower and the Subsidiaries has made all contributions to the Plans required to be made by them.

(e) None of the Plans is a Multiemployer Plan, except as set forth in the Parent’s financial statements, Note 9, Pension Plans, as reported in the Parent’s Annual Report on Form 10-K for the fiscal year ended May 3, 2014 (and similar Notes for subsequent fiscal years).

(c) Neither the Borrower nor any of its Restricted Subsidiaries has ever (i) owned, occupied, or operated a site or structure on or in which any hazardous substance was or is stored, transported, or disposed of, or (ii) transported or arranged for the transportation of any hazardous substance except, in each case, in full compliance with all applicable federal, state, and local environmental laws, regulations, and ordinances governing its business, products, properties, or assets or the storage, transportation, or disposal of hazardous substances, which ownership, occupation, operation, transportation or arranging is reasonably likely to (i) subject the Parent, the Borrower and the Restricted Subsidiaries to any liabilities, expenses, fines or penalties which, individually or in the aggregate, are material to the Parent, the Borrower and its Restricted Subsidiaries, taken as a whole, or (ii) inhibit or result in the prohibition by the use by the Borrower or any Restricted Subsidiary of any property necessary in the conduct of the business of the Parent, the Borrower or such Subsidiary, the effect of which, individually or in the aggregate, is reasonably likely to materially adversely affect the business, earnings, prospects, properties, or condition (financial or otherwise) of the Parent, the Borrower and the Restricted Subsidiaries, taken as a whole. (a) Each of the Borrower, its Subsidiaries, and the ERISA Affiliates will take all actions and fulfill all conditions necessary to maintain any and all Plans (other than a Multiemployer Plan) in substantial compliance with applicable requirements of ERISA, the Code, and applicable foreign law until such Plans are terminated, and the liabilities thereof discharged, in accordance with applicable law.

(b) No domestic Pension Plan (other than a Multiemployer Plan) will fail to satisfy the minimum funding standard (within the meaning of Section 412 of the Code), and no foreign Pension Plan will be in violation of any funding requirement imposed by applicable foreign law, which deficiency or violation would or would be reasonably likely to, materially adversely affect the business, earnings, prospects, properties, or condition (financial or otherwise) of the Borrower and the Restricted Subsidiaries, taken as a whole.

(iii) Any Restricted Subsidiary may sell, lease, transfer, or otherwise dispose of any of its assets to the Borrower or any other Restricted Subsidiary; and

(iv) The Borrower or any Restricted Subsidiary may sell, lease, or otherwise dispose of assets to a Person which is not an Affiliate of the Borrower for cash and/or indebtedness issued by the purchaser of such assets in consideration therefor (each such sale, lease, or other disposition of assets pursuant to this clause (iii) being hereinafter referred to as a “sale”), so long as such sale (i) is determined in good faith by the Borrower to be for a price or rental at least equal to the fair market sale or rental value of the assets sold, leased, or otherwise disposed of and to be in the best interest of the Borrower, and (ii) does not constitute a Substantial Sale of Assets.

(b) The Borrower will not, and will not permit any of the Restricted Subsidiaries to, directly or indirectly, sell, transfer, or otherwise dispose of any property, whether now owned or hereafter acquired, in connection with a transaction in which it is contemplated that such property, or any portion thereof, or any other property that the Borrower or such Restricted Subsidiary, as the case may be, intends to use for substantially the same purpose as the property so sold, transferred, or otherwise disposed of, will simultaneously or subsequently be leased back to the Borrower or any Restricted Subsidiary (a “Sale Leaseback Transaction”) unless:

(i) Such Sale Leaseback Transaction involves a lease which (x) if such Lease is an operating lease, would be permitted pursuant to the provisions of this Agreement and, (y) if such Lease is a Capital Lease, the Attributable Indebtedness associated with such Capital Lease would be permitted pursuant to the provisions of this Agreement;

(ii) Such Sale Leaseback Transaction relates solely to property or assets with respect to which the Borrower or any Restricted Subsidiary may create a Lien pursuant to the provisions of paragraphs (f), (g), or (h) of the definition of “Permitted Liens” set forth in Section 1.1 hereof; and

(iii) Such Sale Leaseback Transaction either (x) complies with the provisions of this Agreement or (y) is consummated within twelve (12) months of the date on which the construction of all the leased assets has been completed, whichever is later.

7.4 Payment Restrictions. The Borrower will not, and will not permit any of its Restricted Subsidiaries to, enter into any agreement, instrument, or other document which prohibits or restricts in any way or to otherwise, directly or indirectly, create or cause or suffer to exist or become effective any encumbrance or restriction on the ability of any Restricted Subsidiary to (i) pay dividends, or make any other distribution in respect of its capital stock or any other equity interest or participation in its profits owned by the Borrower or any Restricted Subsidiary, or pay or repay any indebtedness owed to the Borrower or any Restricted Subsidiary, (ii) make loans or advances to the Borrower, or (iii) transfer any of its properties or assets to the Borrower or any Restricted Subsidiary (subject to the rights of any holder of a Lien on any such properties or assets which Lien is a Permitted Lien).

7.5 Limitations on Distributions. The Borrower will not declare or make, or permit any Restricted Subsidiary to declare or make, any distribution, dividend, payment or other distribution of assets, properties, cash, rights, obligations or securities (collectively, “Distributions”) on account of its capital stock, or purchase, redeem or otherwise acquire for value any capital stock, or any warrants, rights or options to acquire such capital stock, now or hereafter outstanding, except that:

(a) The Borrower may pay dividends to its shareholders if no Event of Default has occurred and is continuing, either before the declaration and payment of such dividends or after giving effect thereto; and

(b) Restricted Subsidiaries may make Distributions to the Borrower or to other Restricted Subsidiaries.

7.6 [RESERVED]

7.7 Regulation U. The Borrower will not permit any part of the proceeds of the loan or loans made pursuant to this Agreement to be used to purchase or carry or to reduce or retire any loan incurred to purchase or carry any margin stock (within the meaning of Regulation U of the Board of Governors of the Federal Reserve System) or to extend credit to others for the purpose of purchasing or carrying any such margin stock, or to be used for any other purpose which violates, or which would be inconsistent with, the provisions of Regulation U or other applicable regulation.

7.8 Transactions with Affiliates. Neither the Borrower nor any Restricted Subsidiary will enter into any transaction (including, without limitation, the purchase, sale, lease, or exchange of any property, the rendering of any services, or the payment of management fees) with any Affiliate, except: (i) transactions in the ordinary course of the business of the Borrower or such Restricted Subsidiary, and in good faith and upon commercially reasonable terms that are no less favorable to it than it would obtain in a comparable arm's length transaction with a Person other than an Affiliate; and (ii) transactions between the Borrower and any wholly-owned Restricted Subsidiary which are not otherwise prohibited by this Agreement.

7.9 Limitation on Nature of Business. The Borrower and the Restricted Subsidiaries will remain engaged in lines of business related to the businesses in which the Borrower and its Restricted Subsidiaries are currently engaged.

7.10 Restricted Subsidiaries. The Borrower will not hereafter designate any entity as a Restricted Subsidiary hereunder (and any such designation shall be without effect hereunder) unless:

(i) The board of directors of the Borrower shall have duly adopted a resolution approving such designation, and the Bank shall have received a copy of such resolution certified by the secretary or assistant secretary of the company;

(ii) Such entity satisfies the requirements of the definition of "Restricted Subsidiary" set forth in this Agreement;

(iii) No Event of Default shall exist prior to, as a result of, or immediately after giving effect to, such designation;

(iv) Immediately after such designation and including such entity in such determination, the Borrower shall be permitted to incur at least \$1.00 of additional Funded Debt pursuant to the provisions of this Agreement;

(v) Such entity shall have executed a Guaranty pursuant to the provisions of Section 3.2 hereof and obtained, if required by the Bank, an opinion of counsel reasonably satisfactory to it as to the due authorization, execution, and delivery of such Guaranty by such corporation; and

(vi) The Borrower shall promptly, and in any event within seven (7) Business Days after such designation, give notice to the Bank of the fact of such designation, the name, jurisdiction of incorporation or organization, principal business address, and business of such newly-designated Restricted Subsidiary, and certifications as to and computations showing compliance with the requirements of this Section, and shall deliver to the Bank with such notice the Guaranty and counsel opinion, if any;

provided, however, that, for the purposes of this Section, any computation of any financial covenant in connection with the determination of the absence of an Event of Default or the ability of the Borrower to incur Indebtedness after giving effect to the designation of a corporation as a Restricted Subsidiary shall be made on a pro forma basis, and, without limitation, shall include the Indebtedness of such corporation in any such computation for the relevant period in the case of any such designation and include the net income or EBITDA of such corporation in such computation in the case of any such designation. Notwithstanding the foregoing provisions of this Section, to the extent that a Subsidiary is not designated a Restricted Subsidiary within ninety (90) days after the day on which such Subsidiary becomes a Subsidiary of the Borrower, such Subsidiary shall be deemed to be an Unrestricted Subsidiary. Any designation of a Person as a Restricted Subsidiary shall be irrevocable.

7.11 Changes in Governing Documents, Accounting Methods, Fiscal Year. The Borrower will not, and will not permit its Subsidiaries to, amend in any respect its constituent documents from that in existence on the date of this Agreement or change its respective accounting methods or practices, its depreciation or amortization policy or rates, or its fiscal year end from that in existence as of the date of the financial statements provided to the Bank pursuant to Section 4.5 hereof, except as required to comply with law or with GAAP.

7.12 Limitation on Incurrence of Funded Debt.

The Borrower agrees that throughout the term of the Revolving Credit:

(a) Neither the Borrower nor any Restricted Subsidiary shall at any time, directly or indirectly, incur, create, assume, guarantee or become liable in any manner with respect to any Funded Debt unless, immediately after giving effect to such incurrence: (i) the ratio of Consolidated Funded Debt (determined immediately after giving effect to such incurrence) to EBITDA (for the four (4) most recent full fiscal quarters) shall be equal to or less than 3.50 to 1.00; and (ii) no Event of Default shall exist.

(b) For purposes of this Section 7.12, if Funded Debt is incurred by the Borrower or a Restricted Subsidiary for the purpose of acquiring Voting Stock of or any assets of any Person which is not a Restricted Subsidiary and, immediately after and giving effect to such acquisition, such Person will be a Restricted Subsidiary (in the case of an acquisition of Voting Stock) or such assets will be owned by Borrower or a Restricted Subsidiary (in the case of an acquisition of assets), then the amounts of EBITDA of such Person or of EBITDA attributable to such assets which would have been included in EBITDA if such Person had been a Restricted Subsidiary or such assets had been owned by Borrower or a Restricted Subsidiary during the relevant fiscal quarters shall be included in EBITDA for the relevant fiscal quarters for purposes of determining compliance with this Section 7.12.

SECTION 8. EVENTS OF DEFAULT.

The following events shall constitute "Events of Default" hereunder:

8.1 Payment of Obligations Under Loan Documents. The Borrower fails to make timely payment of any principal, interest, or other amount due on any indebtedness owed the Bank under the Loan Documents, or fails to make any other payment to the Bank as contemplated thereunder either by the terms hereof or otherwise when due, and such failure shall continue for five (5) days.

8.2 Representation or Warranty. Any representation or warranty made or deemed made by the Borrower or any Restricted Subsidiary herein or in any writing furnished in connection with or pursuant to the Loan Documents, or any report certificate, financial statement, or other information provided by others and furnished by the Borrower or any Restricted Subsidiary to the Bank in connection with or pursuant to the Loan Documents, shall be false or misleading in any material respect on the date when made or when deemed made.

8.4 Other Covenants Under the Loan Documents. The Borrower or any other Person fails to fully and promptly perform when due (i) any other agreement, covenant, term, or condition binding on it contained in this Agreement, and such failure shall have continued unremedied for thirty (30) days after notice thereof has been given to Borrower or (ii) any agreement, covenant, term or condition binding on it contained in any other Loan Document (taking into account applicable periods of notice and cure, if any).

8.5 Payment, Performance, or Default of other Monetary Obligations. The Borrower or any Restricted Subsidiary fails to make payment on any contract obligation or of principal or interest on any indebtedness other than that created under the Loan Documents or otherwise owed to the Bank, individually or in the aggregate, exceeding Two Million Five Hundred Thousand Dollars (\$2,500,000.00), beyond any period of grace provided with respect thereto, or fails to fully and promptly perform any other obligation, agreement, term, or condition contained in any agreement under which any such other Indebtedness is created, or there is otherwise a default or event of default thereunder, if the effect of any such failure or default is to cause, or permit the holder or holders of such indebtedness (or a trustee or other person or entity acting in behalf of such holder or holders) to cause, such indebtedness to become due prior to its stated maturity.

8.6 Covenants or Defaults to the Bank or Others; Revocation of Guaranty. The Borrower or any Restricted Subsidiary fails to fully and promptly perform when due any agreement, covenant, term, or condition binding on it, contained in any lease, contract, or other agreement to which it is a party or in respect of which it is obligated, other than the Loan Documents and other than any monetary default (as described above), beyond any period of grace provided with respect thereto, or there is otherwise a default or event of default thereunder, if such failure or default would, either individually or in the aggregate, materially and adversely affect the business, earnings, prospects, properties, or conditions (financial or otherwise) of the Borrower and the Restricted Subsidiaries, taken as a whole; or any Restricted Subsidiary revokes or attempts to revoke any Guaranty.

8.7 Liquidation; Dissolution; Bankruptcy; Etc. Liquidation or dissolution of the Borrower, the Parent or any Restricted Subsidiary, suspension of the business of the Borrower or any Restricted Subsidiary, or the filing or commencement by the Borrower, the Parent or any Restricted Subsidiary of a voluntary petition, case, proceeding, or other action seeking reorganization, arrangement, readjustment of its debts, or any other relief under any existing or future law of any jurisdiction, domestic or foreign, state or federal, relating to bankruptcy, insolvency, reorganization or relief of debtors, or any other action of the Borrower, the Parent or any Restricted Subsidiary indicating its consent to, approval of, or acquiescence in, any such petition, case, proceeding, or other action seeking to have an order for relief entered with respect to it or its debts; the application by the Borrower, the Parent or any Restricted Subsidiary for, or the appointment, by consent or acquiescence of, a receiver, trustee, custodian, or other similar official for the Borrower or any Restricted Subsidiary, or for all or a substantial part of its respective property; the making by the Borrower or any Restricted Subsidiary of an assignment for the benefit of creditors; or the inability of the Borrower or any Restricted Subsidiary, or the admission by the Borrower or any Restricted Subsidiary in writing of its inability to pay its debts as they mature.

8.8 Involuntary Bankruptcy, Etc. Commencement of an involuntary petition, case, proceeding, or other action against the Borrower, the Parent or any Restricted Subsidiary under the Bankruptcy Code or seeking reorganization, arrangement, readjustment of its debts, or any other relief under any existing or future law of any jurisdiction, domestic or foreign, state or federal, relating to bankruptcy, insolvency, reorganization, or relief of debtors; or the involuntary appointment of a receiver, trustee, custodian, or other similar official for the Borrower, the Parent or any Restricted Subsidiary, or for all or a substantial part of its respective property or assets; or there shall be commenced against the Borrower, the Parent or any Restricted Subsidiary any case, proceeding, or other action seeking issuance of a warrant of attachment, execution, distraint, or similar process against all or any substantial part of the assets, or property of such person which results in the entry of an order for such relief, and the continuance of any of such for sixty (60) days without being vacated, discharged, stayed, bonded, or dismissed.

8.9 Judgments. 8.11 ERISA.

(a) Any domestic Pension Plan (other than a Multiemployer Plan) shall fail to satisfy the minimum funding standard (within the meaning of Section 412 of the Code) with respect to any plan year; or

(b) Any waiver shall be sought or granted under Section 412(c) of the Code; or

(c) Any foreign Pension Plan shall violate any funding requirement imposed by applicable foreign law; or

(d) Any Pension Plan (other than a Multiemployer Plan) shall be, have been or be likely to be terminated or the subject of termination proceedings under ERISA; or

(e) the Borrower, the Parent, any Subsidiary, or any ERISA Affiliate shall incur or be likely to incur a liability to or on account of a Pension Plan under Sections 4062, 4063, 4064, or 4201 of ERISA or comparable provision of applicable foreign law, and there shall result from one or more of the events set forth in the foregoing clauses (i) through (v) either a liability or a material risk of incurring a liability to the PBGC, any foreign governmental entity, or a Pension Plan, which could have a material and adverse effect on the business, earnings, prospects, properties, or condition (financial or otherwise) of the Borrower or the Borrower and its Restricted Subsidiaries, taken as a whole.

Any act or omission (formal or informal) of the Borrower, the Parent or any Restricted Subsidiary or its officers, directors, or shareholders leading to, or resulting in, the termination, invalidation (partial or total), revocation, suspension, interruption, or unenforceability of (i) its corporate existence, rights, and privileges, or (ii) its licenses, franchises, or permits where the failure to maintain, either individually or in the aggregate, is reasonably likely to materially adversely affect the business, earnings, prospects, properties, or condition (financial or otherwise) of the Borrower and its Restricted Subsidiaries, taken as a whole.

SECTION 9. REMEDIES OF THE BANK.

If any one or more of the Events of Default described in Section 8 shall occur, the Bank may, at its option at any time thereafter, take one or more of the following actions: (i) declare all amounts due and payable hereunder by the Borrower to the Bank and all other obligations and indebtedness owed by the Borrower to the Bank to be forthwith due and payable (with the exception of an Event of Default described in Sections 8.7 or 8.8, in which case the amounts due and payable hereunder by the Borrower to the Bank and all other obligations and indebtedness owed by the Borrower to the Bank shall automatically become due and payable), whereupon the indebtedness owed to the Bank by the Borrower hereunder and all other obligations owed by the Borrower to the Bank with accrued interest thereon, whether contingent or direct, shall forthwith become due and payable, without presentment, demand, protest, or other notice of any kind from the Bank, all of which are hereby expressly waived, anything contained in the Loan Documents to the contrary notwithstanding, and all commitments to make Advances shall terminate; (ii) require the Borrower to grant a lien or a security interest in all assets of the Borrower to the Bank, subject to the provisions of Section 3.1(b) hereof, and (iii) immediately proceed to do all other things provided for by law or the Loan Documents to enforce its rights hereunder and to collect all amounts owing to the Bank by the Borrower. No right, power, or remedy conferred upon the Bank by the Loan Documents shall be exclusive of any other right, power, or remedy referred to therein or now or hereafter available at law or in equity.

Upon the occurrence and during the continuance of any Event of Default, Borrower shall immediately upon demand by Bank deposit with Bank cash collateral in the amount equal to the maximum amount available to be drawn at any time under any Letter of Credit then outstanding.

SECTION 10. CHANGES IN LAW OR CIRCUMSTANCES; INCREASED COSTS; PRICING GRID.

10.1 Reimbursement of Prepayment Costs. If Borrower makes any payment of principal with respect to any LIBOR-based Advance (or converts or refunds, or attempts to convert or refund any such Advance) on any day other than the last day of the Interest Period applicable thereto (whether voluntarily, by acceleration, or otherwise), or if Borrower fails to borrow, refund or convert any LIBOR-based Advance after notice has been given by Borrower to Bank in accordance with the terms hereof requesting such Advance, or if Borrower fails to make any payment of principal or interest in respect of a LIBOR-based Advance when due, Borrower shall reimburse Bank on demand for any resulting loss, cost or expense incurred by Bank as a result thereof, including, without limitation, any such loss, cost or expense incurred in obtaining, liquidating, employing or redeploying deposits from third parties, whether or not Bank shall have funded or committed to fund such Advance. Such amount payable by Borrower to Bank may include, without limitation, an amount equal to the excess, if any, of (a) the amount of interest which would have accrued on the amount so prepaid, or not so borrowed, refunded or converted, for the period from the date of such prepayment or of such failure to borrow, refund or convert, through the last day of the relevant Interest Period, at the applicable rate of interest for said Advance(s) provided under this Agreement, over (b) the amount of interest (as reasonably determined by Bank) which would have accrued to Bank on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank eurocurrency market. Calculation of any amounts payable to Bank under this paragraph shall be made as though such Bank shall have actually funded or committed to fund the relevant Advance through the purchase of an underlying deposit in an amount equal to the amount of such Advance and having a maturity comparable to the relevant Interest Period; provided, however, that Bank may fund any LIBOR-based Advance in any manner it deems fit and the foregoing assumptions shall be utilized only for the purpose of the calculation of amounts payable under this paragraph. Upon the written request of Borrower, Bank shall deliver to Borrower a certificate setting forth the basis for determining such losses, costs and expenses, which certificate shall be conclusively presumed correct, absent manifest error.

10.2 Bank's LIBOR Lending Office. For any Advance to which the LIBOR-based Rate is applicable, if Bank shall designate a LIBOR Lending Office which maintains books separate from those of the rest of Bank, Bank shall have the option of maintaining and carrying the relevant Advance on the books of such LIBOR Lending Office.

10.3 Inability to Determine Rate. In the event that Bank shall have determined, which determination shall be final, conclusive and binding, that by reason of circumstances occurring after the date of this Agreement affecting the London Interbank Eurodollar market, (a) adequate and fair means do not exist for ascertaining the LIBOR-based Rate on the basis provided for in this Agreement or (b) Dollar deposits are not being offered to banks in the Loan interbank Eurodollar market for the applicable amount and Interest Period of such LIBOR-based Advance, Bank shall give notice (by telephone confirmed in writing or by telecopy) to Borrower of such determination, whereupon (i) no LIBOR-based Advance shall be made until Bank notifies Borrower that the circumstances giving rise to such notice no longer exist, and (ii) any request by Borrower for a LIBOR-based Advance shall be deemed to be a request for an advance at the Prime-based Rate.

10.4 Illegality; Impracticability. In the event that Bank shall determine, which determination shall be final, conclusive and binding, that the making, maintaining or continuance of any portion of a LIBOR-based Advance (i) has become unlawful as a result of compliance by the Bank with any law, treaty, governmental rule, regulation, guideline or order (or would conflict with any of the same not having the force of law even though the failure to comply therewith would not be unlawful) or (ii) has become impracticable, or would cause Bank material hardship, as a result of contingencies occurring after the date of this Agreement materially and adversely affect the London interbank market or Bank's ability to make LIBOR-based Advances generally, then, and in any such event, Bank shall give notice (by telephone confirmed in writing or by telecopy) to Borrower of such determination. Thereafter, (x) the obligation of Bank to make any LIBOR-based Advances or to convert any portion of the loan to a LIBOR-based Advance shall be suspended until such notice shall be withdrawn by Bank, and (y) any request by Borrower for a LIBOR-based Advance shall be deemed to be a request for an advance as a Prime-based Advance.

10.5 Increased Cost of LIBOR-based Advances. In the event that any applicable law, rule or regulation (whether domestic or foreign) now or hereafter in effect and whether or not currently applicable to Bank or any interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by Bank with any request or directive (whether or not having the force of law) made by any such authority, central bank or comparable agency after the date hereof:

(a) shall subject Bank to any tax, duty or other charge with respect to any Advance or any Note or shall change the basis of taxation of payments to Bank of the principal of or interest on any Advance or the Revolving Credit Note or any other amounts due under this Agreement in respect thereof (except for changes in the rate of tax on the overall net income or revenues of Bank imposed by the United States of America or the jurisdiction in which such Bank's principal executive office is located); or

(b) shall impose, modify or deem applicable any reserve (including, without limitation, any imposed by the Board of Governors of the Federal Reserve System), special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by Bank or shall impose on Bank or the interbank markets any other condition affecting any Advance or the Revolving Credit Note;

and the result of any of the foregoing is to increase the costs to Bank of making, funding or maintaining any part of the Indebtedness hereunder as a LIBOR-based Advance or to reduce the amount of any sum received or receivable by the Bank under this Agreement or under the Revolving Credit Note in respect of a LIBOR-based Advance then Bank shall promptly notify the Borrower in writing of such fact and demand compensation therefor and, within fifteen (15) days after such notice, Borrower agrees to pay to Bank such additional amount or amounts as will compensate Bank for such increased cost or reduction. A certificate of Bank setting forth the basis for determining such additional amount or amounts necessary to compensate Bank shall be conclusively presumed to be correct save for manifest error. For purposes of this Agreement, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed a "change in law", regardless of the date enacted, adopted or issued.

10.6 Other Increased Costs. In the event that after the date hereof the adoption of or any change in any applicable law, treaty, rule or regulation (whether domestic or foreign) now or hereafter in effect and whether or not presently applicable to Bank, or any interpretation or administration thereof by any governmental authority charged with the interpretation or administration thereof, or compliance by Bank with any guideline, request or directive of any such authority (whether or not having the force of law), including any risk based capital guidelines, affects or would affect the amount of capital required or expected to be maintained by Bank (or any corporation controlling Bank) and Bank determines that the amount of such capital is increased by or based upon the existence of Bank's obligations or Advances hereunder and such increase has the effect of reducing the rate of return on Bank's (or such controlling corporation's) capital as a consequence of such obligations or Advances hereunder to a level below that which Bank (or such controlling corporation) could have achieved but for such circumstances (taking into consideration its policies with respect to capital adequacy) by an amount deemed by Bank to be material, then the Borrower shall pay to Bank, from time to time, upon request by such Bank, additional amounts sufficient to compensate such Bank (or such controlling corporation) for any increase in the amount of capital and reduced rate of return which Bank reasonably determines to be allocable to the existence of Bank's obligations or Advances hereunder, provided, however, that for purposes of this Agreement, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a "change in law", regardless of the date enacted, adopted or issued. A statement as to the amount of such compensation, prepared in good faith and in reasonable detail by Bank, shall be submitted by Bank to the Borrower, reasonably promptly after becoming aware of any event described in this Section 10.6 and shall be conclusive, absent manifest error in computation.

10.7 Margin Adjustment. Adjustments to the Applicable Margin, the Applicable Facility Fee Percentage and the Applicable Letter of Credit Percentage, based on Schedule 10.7, shall be implemented on a quarterly basis as follows:

(a) Such adjustments shall be given prospective effect only, effective as to all Advances outstanding hereunder, the Applicable Facility Fee Percentage and the Applicable Letter of Credit Percentage, upon the date of delivery of the financial statements under Sections 6.1(a) and 6.1(b) hereunder and the Certificate of Compliance under Section 6.1(e) hereof, in each case establishing applicability of the appropriate adjustment and in each case with no retroactivity or claw-back. If Borrower shall fail timely to deliver such financial statements or the Certificate of Compliance and such failure continues for three (3) days, then (but without affecting the Event of Default resulting therefrom) from the date delivery of such financial statements and report was required until such financial statements and report are delivered, the Applicable Margin, the Applicable Facility Fee Percentage and Applicable Letter of Credit Percentage shall be at the highest level on the pricing grid attached to this Agreement as Schedule 10.7.

(b) From the date hereof until the required date of delivery (or, if earlier, delivery) of the financial statements under Section 6.1(a) or 6.1(b) hereof, as applicable, and the Certificate of Compliance under Section 6.1(e) hereof, for the fiscal quarter ending November 2, 2020, the Applicable Margin, the Applicable Facility Fee Percentage and Applicable Fee Percentage shall be those set forth under the Level I column of the pricing matrix attached to this Agreement as Schedule 10.7. Thereafter, the Applicable Margin, the Applicable Facility Fee Percentage and Applicable Fee Percentage shall be based upon the quarterly financial statements and Certificate of Compliance, subject to recalculation as provided in Section 10.7(a) above.

SECTION 11. MISCELLANEOUS.

11.1 Course of Dealing; Amendment; Supplemental Agreements. No course of dealing between the parties hereto shall be effective to amend, modify, or change any provision of this Agreement. This Agreement may not be amended, modified, or changed in any respect except by an agreement in writing signed by the party against whom such change is to be enforced. The parties hereto may, subject to the provisions of this Section, from time to time, enter into written agreements supplemental hereto for the purpose of adding any provisions to this Agreement or changing in any manner the rights and obligations of the parties hereunder. Any such supplemental agreement in writing shall be binding upon the parties thereto.

11.2 Waiver By the Bank of Requirements. The Bank may, in its sole discretion, sign and deliver to the Borrower a written statement waiving any of the requirements of this Agreement and in such event the waiver shall be effective only in the specific instance and for the specific purpose for which given.

11.3 Waiver of Default. The Bank may, in its sole discretion, by written notice to the Borrower, at any time and from time to time, waive any Event of Default and its consequences, or any default in the performance or observance of any condition, covenant, or other term hereof and its consequences. Any such waiver shall be for such period and subject to such conditions as shall be specified in any such notice. In the case of any such waiver, the Borrower and the Bank shall be restored to their former positions prior to such Event of Default or default and shall have the same rights as they had thereto, and any Event of Default or default so waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Event of Default or default, or impair any right consequent thereto.

11.4 Notices. Notwithstanding any provisions to the contrary contained in the other Loan Documents, all notices, requests and demands to or upon the parties to this Agreement pursuant to any Loan Document shall be deemed to have been given or made when delivered by hand, or when deposited in the mail, postage prepaid by registered or certified mail, return receipt requested, addressed as follows or to such other address as may be hereafter designated in writing by one party to the other:

11.5 No Waiver; Cumulative Remedies. No omission or failure of the Bank to exercise and no delay in exercising by the Bank of any right, power, or privilege hereunder, shall impair such right, power, or privilege, shall operate as a waiver thereof or be construed to be a waiver thereof; nor shall any single or partial exercise of any right, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power, or privilege. The rights and remedies provided in the Loan Documents are cumulative and not exclusive of any rights or remedies provided by law, and the warranties, representations, covenants, and agreements made therein shall be cumulative, except in the case of irreconcilable inconsistency, in which case the provisions of this Agreement shall control.

11.6 Reliance Upon, Survival of, and Materiality of Representations and Warranties, Agreements, and Covenants. All representations and warranties, agreements, and covenants made by the Borrower in the Loan Documents are material and shall be deemed to have been relied upon by the Bank and shall survive the execution and delivery of the Loan Documents and the making of the loan or loans herein contemplated, and shall continue in full force and effect so long as any indebtedness is owed to the Bank by the Borrower pursuant hereto or so long as there shall be any commitment by the Bank to make loans to the Borrower hereunder. All statements contained in any certificate to the Bank by Borrower, the Parent or any Subsidiary at any time by or on behalf of the Borrower pursuant hereto shall constitute representations and warranties by the Borrower hereunder.

11.7 Set-Off. Upon the occurrence of any Event of Default, the Bank is hereby authorized at any time and from time to time, without notice to the Borrower, to set off, appropriate, and apply any and all monies, securities and other property of the Borrower and all proceeds thereof, now or hereafter held or received by, or in transit to, the Bank from or for the Borrower, and also upon any and all deposits (general or special) and credits of the Borrower, if any, at the Bank or all items hereinabove referred to against all indebtedness of the Borrower owed to the Bank, whether under the Loan Documents or otherwise, whether now existing or hereafter arising. The Bank shall be deemed to have exercised such right of set-off and to have made a charge against such items immediately upon the occurrence of such Event of Default although made or entered on its books subsequent thereof.

11.8 Severability and Enforceability of Provisions. If any one or more of the provisions of the Loan Documents is determined to be invalid, illegal, or unenforceable in any respect as to one or more of the parties, all remaining provisions nevertheless shall remain effective and binding on the parties thereto and the validity, legality, and enforceability thereof shall not be affected or impaired thereby. To the extent permitted by applicable law, the parties hereby waive any provision of law that renders any provision hereof invalid, illegal, or unenforceable in any respect.

11.9 Payment of Expenses, Including Attorneys' Fees and Taxes. The Borrower agrees (a) to pay or reimburse the Bank for all its reasonable and customary out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, execution, and delivery of, and any amendment, supplement, or modification to, or waiver or consent under, the Loan Documents, and the consummation of the transactions contemplated thereby, including, without limitation, the reasonable and customary fees and disbursements of counsel for the Bank, taxes, and all recording or filing fees, (b) except as expressly provided otherwise herein, to pay or reimburse the Bank for all of its costs and expenses incurred in connection with the administration, supervision, collection, or enforcement of, or the preservation of any rights under, the Loan Documents, including, without limitation, the reasonable fees and disbursements of counsel for the Bank, including attorneys' fees out of court, in trial, on appeal, in bankruptcy proceedings, or otherwise, (c) without limiting the generality of provision (a) hereof, to pay or reimburse the Bank for, and indemnify and hold the Bank harmless against liability for, any and all documentary stamp taxes, non-recurring intangible taxes, or other taxes, together with any interest, penalties, or other liabilities in connection therewith, that the Bank now or hereafter determines, are payable with respect to the Loan Documents, the obligations evidenced by the Loan Documents, any Advances under the Loan Documents, and any guaranties or mortgages or other security instruments, and (d) to pay, indemnify, and hold the Bank harmless from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance, and administration of the Loan Documents with the exception of the willful or gross negligence of the Bank. The agreements in this Section shall survive repayment of all other amounts payable hereunder or pursuant hereto, now or in the future, and shall be secured by all collateral that secures the loan or loans described herein.

11.10 Obligations Absolute. The obligations of the Borrower under this Agreement are primary, absolute, independent, unconditional, and irrevocable, and shall be paid and performed strictly in accordance with the terms of this Agreement, under all circumstances whatsoever, including without limitation, the following circumstances:

- (a) Any lack of validity or enforceability of any portion of any letter of credit, this Agreement, or any agreement or instrument relating thereto;
- (b) Any amendment or waiver of or any consent to or actual departure from any letter of credit, this Agreement, or any agreement or instrument relating thereto;
- (c) Any exchange, release, or nonperfection of any collateral;
- (d) Any delay, extension of time, renewal, compromise, or other indulgence or modification granted to or agreed by the Bank, with or without notice to or approval by the Borrower in respect of any of the Borrower's indebtedness to the Bank under this Agreement; or

(e) The failure of the Bank to give any notice to the Borrower hereunder.

11.11 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Bank and the Borrower, and, to the extent permitted herein, their respective successors, assignees, or transferees. In the event of such transfer or assignment, the rights and privileges herein conferred upon the Bank shall automatically extend to and be vested in the successor, assignee, or transferee of the Bank, and the Bank shall be relieved of all liability hereunder. The Borrower may not assign or transfer any of its rights or obligations under this Agreement without the prior written consent of the Bank.

11.12 Counterparts; Effective Date. This Agreement may be signed in any number of separate counterparts, no one of which need contain all of the signatures of the parties, and as many of such counterparts as shall together contain all of the signatures of the parties shall be deemed to constitute one and the same instrument. A set of the counterparts of this Agreement signed by all parties hereto shall be lodged with the Bank. This Agreement shall become effective upon the receipt by the Bank of signed counterparts of this Agreement from each of the parties hereto or telecopy confirmation of the signing of counterparts of this Agreement by each of the parties hereto.

11.13 Participations. The Borrower recognizes that the Bank may enter into participation agreements with other financial institutions, including one or more banks or other lenders, whereby Bank will allocate a portion of the loan or loans contemplated hereunder. For the benefit of such other banks and lenders, the Borrower agrees that such other banks and lenders shall have the same rights of set-off against the Borrower granted the Bank in Section 11.7 hereof. The Bank will use its best efforts to advise the Borrower of the names of any participants and the extent of their interest herein.

11.14 Law of Florida. This Agreement and the Revolving Credit Note have been delivered at Fort Lauderdale, Florida, and shall be governed by and construed and enforced in accordance with the internal laws of the State of Florida without regard to principles of conflicts of law, except to the extent that the Uniform Commercial Code, other personal property law or real property law of a jurisdiction where Collateral is located is applicable and except as and to the extent expressed to the contrary in any of the Loan Documents. Whenever possible each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

11.15 Consent to Jurisdiction. Borrower and Bank hereby irrevocably submit to the non-exclusive jurisdiction of any Florida state court or United States Federal court for the Southern District of Florida sitting in Fort Lauderdale in any action or proceeding arising out of or relating to this Agreement or any of the other Loan Documents, and Borrower and Bank hereby irrevocably agree that all claims in respect of such action or proceeding may be heard and determined in any such Florida state court or United States Federal court for the Southern District of Florida. Borrower irrevocably consents to the service of any and all process in any such action or proceeding brought in any court in or of the State of Florida by the delivery of copies of such process to Borrower at its address specified on the signature page hereto or by certified mail directed to such address or such other address as may be designated by Borrower in a notice to the other parties that complies as to delivery with the terms of Section 11.4. Nothing in this Section shall affect the right of the Bank to serve process in any other manner permitted by law or limit the right of Bank to bring any such action or proceeding against Borrower or any Restricted Subsidiary or any of its or their property in the courts of any other jurisdiction. Borrower hereby irrevocably waives any objection to the laying of venue of any such suit or proceeding in the above described courts.

11.16 Title and Headings; Table of Contents. The titles and headings preceding the text of Sections and Sections of this Agreement and the Table of Contents have been included solely for convenience of reference and shall neither constitute a part of this Agreement nor affect its meaning, interpretation, or effect.

11.17 Complete Agreement; No Other Consideration. The Loan Documents contain the final, complete, and exclusive expression of the understanding of the Borrower and the Bank with respect to the transactions contemplated by the Loan Documents and supersede any prior or contemporaneous agreement or representation, oral or written, by or between the parties related to the subject matter hereof. Without limiting the generality of the foregoing, there does not exist any consideration or inducement other than as stated herein for the execution, delivery and performance by the Borrower of the Loan Documents.

11.18 Legal or Governmental Limitations. Anything contained in this Agreement to the contrary notwithstanding, the Bank shall not be obligated to extend credit or make loans to the Borrower in an amount in violation of any limitations or prohibitions provided by any applicable statute or regulation.

11.19 Interest. If the obligation of Borrower to pay interest on the principal balance of the Revolving Credit Notes is or becomes in excess of the maximum interest rate which Borrower is permitted by law to contract or agree to pay, giving due consideration to the execution date of this Agreement, then, in that event, the rate of interest applicable with respect to such Bank's Percentage shall be deemed to be immediately reduced to such maximum rate and all previous payments in excess of the maximum rate shall be deemed to have been payments in reduction of principal and not of interest.

11.20 Independence of Covenants. Each covenant hereunder shall be given independent effect (subject to any exceptions stated in such covenant) so that if a particular action or condition is not permitted by any such covenant (taking into account any such stated exception), the fact that it would be permitted by an exception to, or would be otherwise within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default.

11.21 WAIVER OF TRIAL BY JURY. THE BORROWER AND THE BANK HEREBY KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVE THE RIGHT THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH THE LOAN DOCUMENTS AND ANY OTHER DOCUMENT EXECUTED IN CONJUNCTION WITH THE LOAN OR LOANS HEREUNDER, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENT (WHETHER ORAL OR WRITTEN), OR ACTION OF EITHER PARTY. THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE BANK TO ENTER INTO ANY LOAN TRANSACTIONS HEREUNDER.

EXHIBIT A-1

LIBOR ALTERNATIVE REPLACEMENT

(A) Temporary Inability: In the event, prior to commencement of any Interest Period relating to a LIBOR-based Advance, the Bank shall determine that

(i) deposits in Dollars (in the applicable amounts) are not being offered to it in the London Interbank Offered Rate market for such Interest Period, (ii) by reason of circumstances affecting the London Interbank Offered Rate Market adequate and reasonable methods do not exist for ascertaining LIBOR, (iii) LIBOR as determined by the Bank will not adequately and fairly reflect the cost to the Bank of funding a LIBOR-based Advance for such Interest Period or (iv) the making or funding of a LIBOR-based Advance become impracticable;

then, the Bank shall promptly provide notice of such determination to the Borrower (which shall be conclusive and binding on the Borrower), and (x) any request for a LIBOR-based Advance or for a conversion to or continuation of a LIBOR-based Advance shall be automatically withdrawn and shall be deemed a request for a Prime-based Advance, (y) each LIBOR-based Advance will automatically, on the last day of the then current Interest Period relating thereto, become a Prime-based Advance, and (z) the obligations of the Bank to make a LIBOR-based Advance shall be suspended until the Bank determines that the circumstances giving rise to such suspension no longer exist, in which event the Bank shall so notify the Borrower,

(B) Permanent Inability: In the event the Bank shall determine (which determination shall be deemed presumptively correct absent manifest error) that

(a) the circumstances set forth in Section (A) above have arisen and such circumstances are unlikely to be temporary;

(b) a public statement or publication of information has been made (1) by or on behalf of the administrator of LIBOR; or by the regulatory supervisor for the administrator of LIBOR, the U.S. Federal Reserve System, an insolvency official with jurisdiction over the administrator for LIBOR, a resolution authority with jurisdiction over the administrator for LIBOR or a court or an entity with similar insolvency or resolution authority over the administrator for LIBOR; stating that such administrator has ceased or will cease to provide LIBOR, permanently or indefinitely, provided that, at the time of the statement or publication, there is no successor administrator that will continue to provide LIBOR, (2) by the administrator of LIBOR that it has invoked or will invoke, permanently or indefinitely, its insufficient submissions policy, or (3) by the regulatory supervisor for the administrator of LIBOR or any governmental authority having jurisdiction over the Bank announcing that LIBOR is no longer representative or may no longer be used;

(c) a LIBOR rate is not published by the administrator of LIBOR for five consecutive Business Days and such failure is not the result of a temporary moratorium, embargo or disruption declared by the administrator of LIBOR or by the regulatory supervisor for the administrator of LIBOR; or

(d) a new index rate has become a widely-recognized replacement benchmark rate for LIBOR in newly originated or amended loans denominated in Dollars in the U.S. market,

(i) then, the Bank, with the consent of the Borrower, may amend this Agreement as described below to replace LIBOR with an alternative replacement index and to modify the applicable margins (the new index and margin together, the "Benchmark Replacement"), in each case giving due consideration to any evolving or then existing convention for similar US dollar denominated credit facilities, or any selection, endorsement or recommendation by a relevant governmental body with respect to such facilities. The Bank may also from time to time, in the Bank's discretion, make other related amendments ("Conforming Changes"), including to permit the administration thereof by the Bank in an administratively and operationally practicable manner and in a manner substantially consistent with market practice and similarly situated counterparties with similar assets in similar facilities.

(ii) the Bank and the Borrower shall enter into an amendment of this Agreement to reflect the Benchmark Replacement and Conforming Changes. Notwithstanding anything to the contrary in this Agreement or the other Loan Documents (including, without limitation, Section 11.1 of this Agreement), such amendment shall become effective without any further action or consent of the Borrower on the fifth (5th) Business Day after the date that a draft of the amendment is provided to the Borrower.

(iii) For the avoidance of doubt, following the date when a determination is made pursuant to Section (B)(i) above and until a Replacement Index has been selected and implemented in accordance with the terms and conditions of Section (B)(ii) above, at the Bank's election all Advances shall accrue interest as Prime-based Advances, and the Interest Rate shall be based on the Prime Rate.

(C) Subject to any amendment to the floor made pursuant to Section (B)(i), if at any time the Replacement Index is less than 0.25%, then at such times, such index shall be deemed to be 0.25% for purposes of this Agreement; provided, however, even if the Replacement Index is greater than 0.25%, if due to a negative margin the Benchmark Replacement would be 0.25%, the Benchmark Replacement shall be deemed to be 0.25%.

(D) In the event that circumstances similar to those set out in paragraph (B)(i)(a)-(d) occur in relation to an index selected to replace LIBOR (or another index previously selected pursuant to this provision) or if the Bank determines a replacement index is administratively or operationally impracticable, the terms governing replacement of LIBOR set forth in paragraphs (B) and (C) shall govern replacement of the replacement index.

**FOURTH AMENDMENT TO SECOND AMENDED
AND RESTATED CREDIT AGREEMENT**

This Fourth Amendment to Second Amended and Restated Credit Agreement (this “Amendment”), dated as of October 30, 2020, is by and between **NewBevCo, Inc.**, a Delaware corporation (“Company”), and **Comerica Bank**, a Texas banking association (“Bank”).

WITNESSETH:

WHEREAS, Company and Bank entered into that certain Second Amended and Restated Credit Agreement dated as of June 30, 2008 (as amended, restated or otherwise modified from time to time, the “Agreement”); and

WHEREAS, Company and Bank wish to further amend the Agreement;

NOW, THEREFORE, Company and Bank agree as follows:

1. The definition of “Termination Date” in Section 1.1 of the Agreement is amended by deleting the date April 30, 2021 where it appears therein and replacing it with the date April 30, 2023.

2. The following definitions in Section 1.1 of the Agreement are amended and restated as follows:

“Eurocurrency-based Rate” means a per annum interest rate which is equal to the sum of (a) the Applicable Margin plus (b) the quotient of the following:

(1) *The LIBOR Rate:*

divided by

(2) *1.00 minus the maximum rate (expressed as a decimal) during such Interest Period at which Bank is required to maintain reserves on “Euro-currency Liabilities” as defined in and pursuant to Regulation D of the Board of Governors of the Federal Reserve System or, if such regulation or definition is modified, and as long as Bank is required to maintain reserves against a category of liabilities which includes eurodollar deposits or includes a category of assets which includes eurodollar loans, the rate at which such reserves are required to be maintained on such category.*

"LIBOR Rate" means, with respect to any Advance or other indebtedness bearing interest on the basis of the Eurocurrency-based Rate, the per annum rate of interest determined on the basis of the rate for deposits in United States Dollars for a period equal to the relevant Interest Period for such Advance, commencing on the first day of such Interest Period, appearing on Page BBAM of the Bloomberg Financial Markets Information Service at or about 11:00 a.m. (London, England time) (or as soon thereafter as practical), two (2) Business Days prior to the first day of such Interest Period. In the event that such rate does not appear on Page BBAM of the Bloomberg Financial Markets Information Service (or otherwise on such Service), the "LIBOR Rate" shall be determined by reference to such other publicly available service for displaying eurodollar rates as may be reasonably selected by Bank, or, in the absence of such other service, the "LIBOR Rate" shall, instead, be determined based upon the average of the rates at which Bank is offered dollar deposits at or about 11:00 a.m. (Detroit, Michigan time) (or as soon thereafter as practical), two (2) Business Days prior to the first day of such Interest Period in the interbank eurodollar market in an amount comparable to the principal amount of the respective Eurocurrency-based Advance which is to bear interest on the basis of such Eurocurrency-based Rate and for a period equal to the relevant Interest Period; provided, however, and notwithstanding anything to the contrary set forth in this Agreement, if at any time the LIBOR Rate determined as provided above would be less than one quarter of one percent (.25%), then the LIBOR Rate shall be deemed to be one quarter of one percent (.25%) per annum for all purposes of this Agreement. Each calculation by Bank of the LIBOR Rate shall be conclusive and binding for all purposes, absent manifest error.

"Prime-based Rate" means for any day, that rate of interest which is equal to the sum of the Applicable Margin plus greatest of (i) the Prime Rate, (ii) one percent (1%) plus the Federal Funds Effective Rate and (iii) two and one-half percent (2.50%) per annum.

3. The definition of "Specified Hedging Agreement" in Section 1.1 of the Agreement is deleted in its entirety.
4. The first sentence of Section 2.1(a) of the Agreement (Revolving Credit Commitment) is amended by deleting the words "Twenty Five Million Dollars (\$25,000,000) (the "Committed Amount")" and replacing it with the words "Fifty Million Dollars (\$50,000,000) (the "Committed Amount")".
5. Section 6.1(a) of the Credit Agreement is amended and restated as follows:

"(a) As soon as practicable and in any event within forty-five (45) days after the end of each fiscal quarter of the Borrower, a consolidated balance sheet of the Borrower and the Restricted Subsidiaries as at the last day of such quarter and the related consolidated statement of income for such quarter and cumulative fiscal year-to-date for the Borrower and the Restricted Subsidiaries, setting forth in each case in comparative form figures for the corresponding period in the preceding fiscal year, all in reasonable detail and satisfactory in scope to the Bank and certified by the chief financial officer of the Borrower as to the fairness of such financial statements and that the same have been prepared in accordance with GAAP, subject to changes resulting from normal, recurring year-end adjustments; provided, however, that if, so long as the Borrower is a Subsidiary of the Parent, the Parent duly files with the SEC any Form 12b-25 under the Exchange Act (or any successor form thereunder) with respect to its inability to timely file its quarterly report on Form 10-Q for a fiscal quarter and obtains a valid extension of such time to file, the financial information required to be delivered by this paragraph may be delivered later than forty-five (45) days after the end of such fiscal quarter but in no event later than the extended deadline for filing such quarterly report imposed by said Rule 12b-25;"

6. Section 6.1(b) of the Credit Agreement is amended and restated as follows:

“(b) [Reserved];”

7. Schedule 10.7 of the Credit Agreement is amended, restated and replaced in its entirety with Schedule 10.7 attached hereto.

8. Except as modified hereby, all of the terms and conditions of the Agreement shall remain in full force and effect. Capitalized terms used but not defined herein shall have the meanings given them in the Agreement.

9. Company hereby represents and warrants that, after giving effect to the amendments contained herein, (a) execution, delivery and performance of this Amendment and any other documents and instruments required under this Amendment or the Agreement are within Company’s corporate powers, have been duly authorized, are not in contravention of law or the terms of Company’s Certificate of Incorporation or Bylaws, and do not require the consent or approval of any governmental body, agency, or authority; and this Amendment and any other documents and instruments required under this Amendment or the Agreement, will be valid and binding in accordance with their terms; (b) the continuing representations and warranties of Company in Sections 4.1 through 4.17 of the Agreement, as updated by the quarterly financial statements of the Company and the Parent, are true and correct on and as of the date hereof with the same force and effect as if made on and as of the date hereof; and (c) no Default or Event of Default has occurred and is continuing as of the date hereof.

10. This Amendment shall be effective as of the date set forth above.

(Remainder of page intentionally left blank)

IN WITNESS WHEREOF, the parties hereto have executed and delivered, or have caused their respective duly authorized officers or representatives to execute and deliver this amendment as of the day and year first written above.
