DATE: October 1, 1999  
PLACE: Sheraton Buckhead Hotel Atlanta  
3405 Lenox Road, N.E.  
Atlanta, GA 30326

At the Annual Meeting of Shareholders of National Beverage Corp. (the "Company"), and any adjournments or postponements thereof (the "Meeting"), the following proposals are on the agenda for action by the shareholders:

1. To elect one director to serve as Class III director for a term of three years.
2. To transact such other business as may properly come before the Meeting.

Only holders of record of common stock, par value \$.01 per share, of the Company, at the close of business on August 16, 1999, are entitled to notice of, and to vote at, the Meeting.

A complete list of the shareholders entitled to vote at the Meeting will be available for examination by any shareholder, for any proper purpose, at the Meeting and during ordinary business hours for a period of ten days prior to the Meeting at the corporate offices of the Company at One North University Drive, Fort Lauderdale, Florida 33324, as well as at the Company's offices located at 1165 Palmour Drive, Gainesville, GA 30501.

A Proxy Statement, setting forth certain additional information, and the Company's Annual Report accompany this Notice of Annual Meeting.

All shareholders are cordially invited to attend the Meeting in person. Admittance to the Meeting will be limited to shareholders. Shareholders who plan to attend are requested to so indicate by marking the appropriate space on the enclosed proxy card. Shareholders whose shares are held in "street name" (the name of a broker, trust, bank or other nominee) should bring with them a legal proxy, a recent brokerage statement or letter from the "street name" holder confirming their beneficial ownership of shares.

Please complete and return the proxy in the enclosed envelope addressed to the Company, since a majority of the outstanding shares entitled to vote at the Meeting must be represented at the Meeting in order to transact business. Shareholders have the power to revoke any such proxy at any time before it is voted at the Meeting and the giving of such proxy will not affect your right to vote in person at the Meeting. Your vote is very important.

Executive officers, directors and greater than ten percent (10%) beneficial owners are required by regulation of the Commission to furnish the Company with copies of all Section 16(a) forms so filed.

QUORUM AND VOTING PROCEDURE

-----

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock entitled to vote at the Meeting is necessary to constitute a quorum. Votes cast by proxy or in person at the Meeting will be tabulated by the inspectors of elections appointed for the Meeting and will be counted in determining whether or not a quorum is present. A proxy submitted by a shareholder may indicate that all or a portion of the

shares represented by such proxy are not being voted by such shareholder with respect to a particular matter ("non-voted shares"). This could occur, for example, when a broker is not permitted to vote shares held in "street name" on certain matters in the absence of instructions from the beneficial owner of the shares. Non-voted shares with respect to a particular matter will not be considered shares present and entitled to vote on such matter, although such shares may be considered present and entitled to vote for other purposes and will be counted for purposes of determining the presence of a quorum. Shares voting to abstain as to a particular matter and directions to "withhold authority" to vote for directors will not be considered non-voted shares and will be considered present and entitled to vote with respect to such matter. Non-voted shares will have no effect on the matters brought to a vote at the Meeting. Abstentions from voting on any of the proposals brought to a vote at the Meeting will have the effect of votes against the particular proposal.

PROPOSAL FOR ELECTION OF DIRECTOR  
-----

The Board of Directors is currently comprised of five directors elected in three classes (the "Classes"), with two Class I directors, two Class II directors and one Class III director. Directors in each class hold office for three-year terms. The terms of the Classes are staggered so that the term of one Class terminates each year. The term of the current Class III director expires at the 1999 Annual Meeting and when his successor has been duly elected and qualified.

The Board of Directors has nominated Nick A. Caporella for election as director in Class III with a term of office of three years expiring at the Annual Meeting of Shareholders to be held in 2002. In order to be elected as a director, a nominee must receive a plurality of affirmative votes cast by the shares present or represented at a duly convened meeting. Shareholders have no right to vote cumulatively.

The Board of Directors recommends that shareholders vote for the nominee for the Class III director.

COMPENSATION COMMITTEE REPORT  
-----

The Compensation and Stock Option Committee of the Board of Directors has furnished the following report:

Mr. Nick A. Caporella was not compensated by the Company or its subsidiaries during the past fiscal year. The Management Company provides management services to the Company and its subsidiaries through a group of employees, including Nick A. Caporella, and receives a management fee from the Company pursuant to the terms of a management agreement adopted in fiscal 1992 prior to the Company having publicly traded shares. (See "Certain Relationships and Related Party Transactions".) The Management Company receives an annual base fee from the Company equal to 1% of the consolidated net sales of the Company, plus incentive compensation based upon certain factors to be determined by the Compensation and Stock Option Committee of the Board of Directors. The Company paid \$4,021,000 for services rendered by the Management Company for the fiscal year ended May 1, 1999. No incentive compensation has been incurred or approved under the management agreement since its inception in fiscal 1992. In addition, no options or other stock-based awards have been granted to Mr. Caporella since the Company's formation in 1985.

The Company's compensation structure has been designed to enable the Company to attract, motivate and retain top quality executives by providing a fully competitive and comprehensive package which reflects individual performance as well as annual incentive awards. The awards are payable in cash and are based on the achievement of performance goals established by the Committee, in consultation with the Chief Executive Officer. Consideration is also given to comparable compensation data for persons holding similarly responsible positions at other companies in determining appropriate compensation levels. In addition, long-term, stock-based awards are granted to strengthen the mutuality of interest between the executive and the Company's shareholders and to motivate and reward the achievement of important long-term performance objectives of the Company.

Long-term incentive compensation for executives currently consists of stock-based awards made under the Company's 1991 Omnibus Incentive Plan, of which there are outstanding stock options with vesting schedules typically of five years. The Company issues stock awards with long-term vesting schedules to increase the level of the executive's stock ownership by continued employment with the Company.

In addition, long-term incentive compensation is awarded under the National Beverage Corp. Key Employee Equity Partnership Program (the "KEEP Program"). The KEEP Program is designed to positively align the interests between the Company's executives and its shareholders beyond traditional option programs while, at the same time, intending to stimulate and reward management in "partnering-up" with the Company in its quest to create shareholder value. The KEEP Program provides for the granting of stock options to key employees, officers and directors of the Company who invest their personal funds in the Common Stock. Participants who purchase shares of the Common Stock in the open market receive grants of stock options equal to 50% of the number of shares purchased up to a maximum of 6,000 shares in any two-year period. Options under the KEEP Program are automatically forfeited in case of the sale of shares originally acquired by the participant. The options are granted at an initial exercise price of 60% of the purchase price paid for the shares acquired and reduce to the par value of the Common Stock at the end of the six-year vesting period.

The Company's long-term incentive programs are intended to provide rewards to executives only if value is created for shareholders over time and the executive continues in the employ of the Company. The Committee believes that employees should have sufficient holdings of the Company's Common Stock so that their decisions will appropriately foster growth in the value of the Company. The Committee reviews with the Chief Executive Officer the recommended individual awards for those executives, other than the Chief Executive Officer, and evaluates the scope of responsibility, strategic and operational goals of

individual contributions in making final awards under the 1991 Omnibus Incentive Plan and determining participants in the KEEP Program.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS  
-----

The Company is a party to a management agreement with Corporate Management Advisers, Inc., a company owned by Nick A. Caporella. The management agreement originated with the need to employ professionals that were unaffordable at the early stages of the Company's development and the cost of these professionals could be shared with others, thus allowing the Company to have a more cost-effective structure.

The management agreement states that the Management Company is to provide to the Company, subject to the direction and supervision of the Board of Directors of the Company, (i) senior corporate functions (including supervision of the Company's financial, legal, executive recruitment, internal audit and management information systems departments) as well as the services of a Chief Executive Officer and (ii) services in connection with acquisitions, dispositions and financings by the Company, including identifying and profiling acquisition candidates, negotiating and structuring potential transactions and arranging financing for any such transaction.

The Management Company receives an annual base fee from the Company equal to one percent of the consolidated net sales of the Company, plus incentive compensation based upon certain factors to be determined by the Compensation and Stock Option Committee of the Board of Directors. The Company has accrued \$4,021,000, \$4,007,000 and \$3,854,000 for services rendered by the Management Company for fiscal 1999, 1998 and 1997, respectively. No incentive compensation has been incurred or approved under the management agreement since its inception in fiscal 1992. (See "Compensation Committee Report".) Effective May 1, 1992, NewBevCo., Inc., a wholly-owned subsidiary of the Company, assumed the obligations of the Company to pay any fees owed to the Management Company to

the extent the Management Company provides services to NewBevCo., Inc. and its subsidiaries.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

The Company's financial statements for the fiscal years ended May 1, 1999, May 2, 1998 and May 3, 1997 have been examined by PricewaterhouseCoopers LLP, independent certified public accountants.
